

FEMA On-Line Coursework for SCC Large Animal Evacuation Team

Go to → <https://training.fema.gov/is/>

The screenshot shows the FEMA Emergency Management Institute website header with a search bar. Below the header is a navigation menu with six items: "EMI Courses & Schedule", "EMI Students & Instructors", "Apply", "Programs & Activities", "Independent Study", and "Contact Us". A blue arrow points to the "Apply" link. Below the menu, there are social media icons for Twitter, Facebook, LinkedIn, YouTube, and RSS.

Then select from Apply...

The screenshot shows the FEMA website with the "Apply" menu item highlighted. A dropdown menu is visible below it, containing three links: "Notice to Applicants for NFA or EMI Courses", "How to apply for a FEMA Independent Study course (Online Course)", and "How to apply for a course held in EMI (On-Campus Course)". A blue arrow points to the "How to apply for a FEMA Independent Study course (Online Course)" link.

Obtain a FEMA SID (Student Identification Number)

The screenshot shows the FEMA website with the "How to apply for a FEMA Independent Study course (Online Course)" page. A blue arrow points to the first step in the instructions: "Register for a Student Identification Number (SID) if you have not done so already. [How do I obtain my FEMA SID?](#)".

- Register for a Student Identification Number (SID) if you have not done so already. [How do I obtain my FEMA SID?](#)
- Select a course from [our course list](#).
- Review course materials by choosing any one of the options.
- Select the "Take Final Exam Online" link (found on each Course Overview page).
- Enter your SID and your additional Student Information.
- Answer the exam questions and submit your answer choices.

After you have your SID, be sure to print it out or write down your number and then go back to <https://training.fema.gov/is/>

The screenshot shows the FEMA Emergency Management Institute website. The header includes the FEMA logo and a search bar. Below the header is a navigation menu with six categories: EMI Courses & Schedule, EMI Students & Instructors, Apply, Programs & Activities, Independent Study, and Contact Us. A blue arrow points to the 'Independent Study' link. Below the menu, there are social media icons for Twitter, Facebook, LinkedIn, YouTube, and RSS, along with a 'Follow FEMA' button. The breadcrumb trail shows 'Independent Study Program (IS)'.

Click on Independent Study and select IS-100.c and complete the course, pass the test, and print out your FEMA certificate ...then complete IS-200.b and finally, IS-700.b.

The screenshot shows a grid of course options under the 'Independent Study' category. The grid is organized into six columns corresponding to the navigation menu. Blue arrows point to the following courses: IS-100.c (Introduction to the Incident Command System, ICS...), IS-700.b (An Introduction to the National Incident Managem...), and IS-200.b (ICS for Single Resources and Initial Action Incl...). Other courses listed include IS-230.d (Fundamentals of Emergency Management), IS-120.c (An Introduction to Exercises), IS-200.HCa (Applying ICS to Healthcare Organizations), IS-800.c (National Response Framework, an Introduction), IS-317 (Introduction to Community Emergency Response Teams), IS-907 (Active Shooter: What You Can Do), IS-3 (Radiological Emergency Management), IS-5.a (An Introduction to Hazardous Materials), and IS-235.c (Emergency Planning).

Be sure to print out or save your certificates and forward them to sclaetam@gmail.com.
